Diveaholic Pool Party

Underwater360° is back once again with the only lifestyle divers' party in Singapore!

Held at Park Hotel Farrer Park Singapore, in the vibrant and buzzing Little India district, freshly labelled as DIVEAHOLIC Pool Party, Underwater360° attracted and convened both dive enthusiasts, operators, professionals, aspiring divers and everyone with a passion for the ocean to come together and show support for this thriving industry.

The DIVEAHOLIC Pool Party premiered on the evening of Saturday, November 23rd with a line-up of entertainment that featured retrospective vibe from old-school to popular hip-hop powered by The DJ Institute – DJ Farah Farz, DJ Titus and DJ Shai.

Each guests received a complimentary welcome gift of either one of our award-winning titles, *Asian Diver* and *Scuba Diver*. Guests were also encouraged to participate in the night's grand lucky draw simply by spending SGD20 on their food and beverages!

Every month, the thematic DIVEAHOLIC Pool Party features special guest appearances, and making its debut since its interim, the guests were graced by an ethereal mermaid performances by the visiting entourage of Mermaid Federation Institute (MFI) and an introductory presentation into the world of mermaiding by Alan Lam, MFI Founder. Alan ensured that everyone and anyone could be a mermaid or a merman, just as long as they were trained by a certified instructor. The founding member shared with the guests the available programmes at MFI and introduced

Mermaid August Ho, ADEX Ambassador for Mermaid China and MFI Instructor Trainer and Merman Afa Zhang from Taiwan. Both instructors shared their journey towards becoming a mermaid and a merman, the

intricacy of fusing both the discipline of freediving and performing arts, and how the sport had changed their perspective and attitude of the ocean.

To close the presentations, the guests were also treated to a

visual presentation by Andrew Lim, Singapore's underwater fashion photographer. Andrew featured pictures from his latest expedition to Komodo island where he shared the exotic marine life that he photographed on that trip.
