DURATION

4 Days 3 Nights

ATOLLS

Male to Ari Atoll

DIVES

05 Scuba Dives

03 Free Dives

PORTS

Male' to Male'

DAY 1

Maldives Legend Airport staff will welcome you at Velana International Airport on arrival and take you to the boat for boarding. Refreshments are served while you get checked in followed by general boat briefing. Dive Briefing will be given before each dive by our dive team.

- Check In at 14:00hrs & Boat Briefing followed by Lunch
- Check Dive at Hulhumale Neru Reef located in North Male Atoll
- Dinner

DIVE HIGHLIGHT

Hulhumale Neru – As you navigate through the crystalline waters, you'll encounter playful clownfish, elegant lion fish, and perhaps even the graceful glide of a reef shark.

DAY 2

- Dive 2 at Mahibadhoo Rock (Free dive and Scuba Dive)
- Breakfast
- Dive 3 at Fish Head (Scuba Dive)
- Lunch
- Dive 4 Manta Night Dive in Fesdhoo (Scuba and Free Dive)
- Dinner

DIVE HIGHLIGHTS

Mahibadhoo Rock – . Great number of mantas spotted here during outgoing currents between May and December. Furthermore, you will get to see more marine life such as white tip reef sharks, sweet lips, yellow snappers, red snappers and lots of small fauna.

DAY 3

- Dive 5 at Maalhos (Scuba Diving)
- Breakfast
- Dive 6 at Meerufenfushi (Free Diving)
- Lunch
- Sunset cocktail at Meerufefushi
- Dinner

DIVE HIGHLIGHTS

Maalhos – Also known as Blue Caves, this thila dive site is famous for its amazing array of blue and purple soft corals. The name comes from the large overhangs which you can easily swim inside of and have a look around.

DAY 4

- Breakfast
- Checkout from Boat at 10:00 Am
- Dropoff to airport

Our dedicated staff will assist you in cleaning and washing your dive equipment. They will also assist you in packing, if required. Our Team will always take care of you until you leave from the Maldives. Have Safe Journey home. Looking forward to welcome you again.

"Protecting our oceans, one sip at a time"

We kindly request our esteemed guests to bring their own water bottles on board. By avoiding single-use plastic, we're taking a stand against plastic pollution and safeguarding the marine ecosystem we cherish. Rest assured, our filtered water system is meticulously maintained and undergoes regular testing by experts to ensure the highest quality.

Thank you for joining us in our commitment to conservation.
